Location: Malabe, Sri Lanka

PROFESSIONAL SUMMARY

Third-year Information Technology undergraduate at SLIIT with a strong interest in Software Engineering and Quality Assurance. Experienced in developing web and mobile applications using Java, Spring Boot, React, Kotlin, and MySQL. Passionate about software development, testing, and delivering user-focused solutions. Seeking an internship opportunity to apply technical skills and gain industry experience.

EDUCATION

BSc (Hons) Information Technology, specializing in Information Technology | From 2023 - Present

Sri Lanka Institute of Information Technology (SLITT)

PROJECTS

UniLink – Lecturer Appointment Booking System | Full-Stack Web Application

Technologies: Spring Boot, React.js, MySQL

- Developed a full-stack appointment booking system using Spring Boot, React.js, and MySQL.
- Contributed to the Lecturer & Slot Management module, including availability and schedule management.
- Applied Agile development practices, database integration, and software testing.

GitHub: <https://github.com/Nethm1/UniLink->

Trendify Clothing Store App | Android Application

Technologies: Kotlin, Android Studio, MVVM

- Developed a modern Android e-commerce application that enables users to browse products, view product details, manage shopping carts, and securely authenticate accounts. Applied UI/UX design principles and MVVM architecture to create a responsive and user-friendly mobile shopping experience.

GitHub: https://github.com/Nethm1/Trendify_clothing_store

Chat Sinhala Transliteration Test Automation | QA Automation Project

Technologies: Python, Playwright, OpenPyXL, Excel

- Developed an automated testing solution using Python and Playwright to validate the Sinhala transliteration functionality of a web application.
- Automated execution of test cases by reading inputs from Excel files, capturing actual outputs, comparing results against expected values, and generating test status reports.
- Applied software testing concepts including test case execution, result validation, defect identification, and automation testing practices.

GitHub: <https://github.com/Nethm1/IT3040-Assignment1>

CampusX – Smart Campus Management System | Full-Stack Web Application

Technologies: Spring Boot, React.js, MySQL, JWT Authentication, Google OAuth2

- Developed a full-stack campus management system for facility booking, incident reporting, and user management.
- Implemented role-based authentication, booking workflows, and image-based incident reporting features.

GitHub: <https://github.com/Nethm1/CampusX-Smart-Campus-System>

HabiX – Android Habit Tracking Application

Technologies: Kotlin, Android Studio, MVVM, Material Design 3, WorkManager

- Developed an Android wellness application for habit tracking, mood journaling, hydration monitoring, and productivity management.
- Implemented reminders, notifications, and a modern Material Design 3 user interface using MVVM architecture.

GitHub: <https://github.com/Nethm1/HabiX/tree/main>

TECHNICAL SKILLS

- Programming: Java, Python, Kotlin, JavaScript, SQL
- Web: HTML, CSS, React.js, Node.js
- Mobile: Android (Kotlin, MVVM)
- Database: MySQL, MongoDB
- QA: Manual Testing, Test Case Design, Playwright Automation
- Tools: Git, GitHub, Jira, VS Code

SOFT SKILLS

- Communication
- Teamwork
- Problem Solving
- Time Management
- Adaptability
- Attention to Detail
- Critical Thinking

CERTIFICATION & ACHIEVEMENTS

MongoDB Node.js Developer Path | MongoDB University | Apr 2026

- Credential ID: MDBt1xi06ue91
- Completed official MongoDB developer learning path covering CRUD operations, aggregation pipelines, indexing, data modeling, and MongoDB Atlas deployment.

SQL (Basic) Certification | HackerRank | Jun 2026

- Credential ID: 28DE71172D52
- Passed HackerRank SQL (Basic) skill certification test covering SELECT queries, filtering, joins basics, and SQL fundamentals.

API Testing Path (v12) | Postman Academy | Jun 2026

- Completed API Testing Path covering API fundamentals, test suite creation, automation workflows, and API testing practices

LANGUAGES

- Sinhala: Native
- English: Intermediate
